

WE ARE INTERESTED IN TALKING TO TEENS FOR OUR DENTAL HEALTH STUDY!

Your child is eligible if he or she:

- Self identifies as Mexican-American
- Between the ages of 14-19
- English-speaking
- Living in North San Diego County
- Able to access stable internet
- Participates in one or more program or service at VCC

Share opinions on brushing and flossing!

One time, one hour interview on Zoom that does not cost a thing.

Receive \$15 giftcard as a Thank You for participating.

For more information, contact us at SDSUProjectM@gmail.com or (619)348-5152

Principle Investigators:
Tracy Finlayson, Professor of Public Health
Scott Kelley, Professor of Biology
